Achievements/Tasks

- I got promoted from cashier to uscan and then to bookkeeper where I handled all the counting and reconciling of the cashier tills, deposits, and the office itself. I also helped with any customer service needs that came up or any questions customers had. I also covered the uscan stations helping customers through the process, as well as still helping with any customer service needs and any miscellaneous needs of the store that arose.

Culinary Team Member

Whole Foods Markets

Vinings, GA

Achievements/Tasks

- I maintain the bakery section of the kitchen and the sales floor. I work together with the whole team to be able to accomplish all of our collective tasks. I very quickly moved to more of a leadership role and have been doing more management tasks, and achieved team member of the month just recently.
